

# Award Points 2009

The first tie breaker method is head-to-head racing. If that does not break the tie, then the most number of 1<sup>st</sup> place finishes will determine the tie breaker, followed by the most number of 2<sup>nd</sup> place finishes, and so on. The final tie breaker is the rider who did better during the most recent race the riders raced each other in.

**Top 10 will receive plaques at the Banquet on Saturday, October 10.**
